

# HMAC Flyer

## FUN FLY AEROBATICS SUNDAY 15TH SEPTEMBER

By Tony Gray

We had four visitors to the event, two from the North West Aeromodellers , and two from Pans Hanger. Thanks for your support .

The weather was near perfect with a light Northerly breeze straight down the strip. Flying got under way at 10 AM . There were no prangs other than Mike Rutledge had the axle break on his Curare and had to fly his Slick in the second round .

Bernard McKay and Danny Coles turned up at the field unaware that a contest was on so to get a fly they entered the event .Well done guys , also thanks to the judges, Jack Tonks and Geoff Leverton .

The event finished at 12.30pm ,lunch was then served by Colleen followed by the prize giving .The event was taken out by the visitors.

**GLIDER EVENT**  
**February, 2013**  
**Kelly Field**

Six pilots entered the duration event. Two rounds were held and the scores totalled.

As you can see from the pics there were a variety of models .

Phil Harrington had the vee tail fold on his model. Ross Blackwell could only get half power and only flew one round .

The contestants all said they enjoyed the inaugural event .

- 1- Mike Rutledge            11min 24 seconds
- 2- Peter Ederle            11-17
- 3- John Jongbloed        10-20
- 4- Bob Morrison
- 5- Phil Harrington
- 6- Ross Blackwell from LMAC.

## New Arrival.

Congratulations to Brendan & Loretta Carley on the arrival of their son Anthony back in July - Great news, a new aeromodeller!

## New Member.

Chris Jones, who flies electric, slope soarers, helicopters and FPV. Welcome Chris.

**WAYNE MOORE**, who was a former member of HMAC, passed away on Sunday sixth of October . Wayne was a club member for approximately twenty plus years .

He was a fastidious scale model builder .He built Yaks , Hurricanes ,Chipmunks. His last project was a single seat Ultralite based on a Piper Cub, naturally built from wood and fabric.
