Membership year runs from 1 July 2015 to 30 June 2016. Half year fees are only available after 1st Jan 2016 and only to new members and those who have not been affiliated since 1st July 2012

So be aware that the fees are due by 30th June 2015, which equates to no fee paid no flying.

HMAC Instructor Course

We have enough candidates to run the course but additional students are still welcome to put their names down.

To remind members. You can take the course even if at present you do not have Gold Wings but are looking to the future.

Please contact Nils (nibi108@gmail.com) if you wish to take part or discuss it with him at KF.

We expect the course to run in late September into October on a Saturday morning though this is subject to change according to convenience. If weather permits flying training will also take place on the same days.

All prospective participants so far have now been contacted by email so if you expressed the urge to take part and have not been contacted please let Nils know as soon as you can.

Safe flying guys

Nils
